- **AEDE Conference, Barcelona, June 27-28, 2024.**
An Analysis of the Relationship Between Foreign Direct Investments and Impunity by Lorenzo Fabiani and Mario Eboli.

Research Output and Skills

- **Publications:** Preparing research for publication in peer-reviewed journals on economic analysis, governance, and public policy.
- **Data Analysis Software:** Proficient in Stata, R, and econometric modelling tools for advanced quantitative research, with additional expertise in Excel for data management, Tableau for data visualization, QGis and GeoDa for spatial data analysis, and Canva for creating impactful presentations.
- **Research Collaboration:** Worked on interdisciplinary projects involving economics and law, including the development of indices like the Impunity Index.

Supervision and Mentorship

- Mentored undergraduate students at the University of G. d'Annunzio, guiding them through research projects in economics and public policy.

International Research Collaboration

- Collaborated with institutions such as the Higher School of Economics (Russia) and University of Valencia (Spain), contributing to global research on impunity and economic impacts.

Awards and Recognitions

- Member of the Organizing Committee for the 6th DECON Conference (2024) for the session DEPSER (“Decision-Making for Public Sector Recovery”).

Certifications and Courses

- **Online Course: Software for Economic Data Analysis: QGis, R, Stata** - *University of Modena and Reggio Emilia, Italy*. Pathway with basic notions for using QGis, R, and Stata software (2020)
- **Europlanning Course** - *University of Chieti and Pescara, Italy, in collaboration with IDP*. Course on the basics of European planning (2019)
- **Initial Teacher Training** - *24 CFU – University of Chieti and Pescara, Italy*. Acquisition of 24 training credits in the anthro-po-psycho-pedagogical sectors and in teaching methodologies (2019)

Other Professional Experience

- **Junior Controller**, *Walter Tosto S.p.A., Chieti, Italy* (10/2017 – 06/2018)
Managed financial analysis, reporting, and budget monitoring for an international manufacturing company.
- **Family Business: Restaurant**, “*Parco del Rio Sparto*”, *Canistro (AQ), Italy* (2011 – 2019)
Worked in the family restaurant while pursuing university studies. This experience helped develop strong interpersonal and multitasking skills. Despite the demands of this role, it provided valuable insights into the realities of running a small business. Unfortunately, balancing these responsibilities with academic commitments required additional time to complete my studies.
